Political Summer School 2018 Manifestos

In partnership with Hounslow Youth Council &
Seema Malhotra MP

Speak Out

Media, art, science and society: Female students should be encouraged to do STEM subjects, diet improvements to reduce obesity

Transport

Environment: All citizens should be issued with a waste management booklet, ban plastic straws

Crime and Policing: More police officers

International Aid

Social Care: First aid packs are compulsory, online GP appointments 24/7 via Skype and FaceTime.

Local Trust | Big Local

Social Liberalists Party

Social Care: 24 hour GP service (including online), more help for homebuyers, subsidising care home costs, increase public education on care, encourage businesses to increase disabled facilities

Environment: Increase recycling facilities in the community, regulate construction more

International aid: Reduce monetary aid to other countries and increase their resources

Health care: Increase benefits of working for the NHS, a strict minimum wage for NHS workers, increase tax on unhealthy/junk food

Crime and policing: Heavily fine reoffenders, regulate stop and searches, all stop and searches should be recorded

Education: Less exams and more coursework (dependant on subject), all students should start their GCSE subjects in year 9, more focus on PSHCE

Local Trust | Big Local

The Crossroads Democratic Party

International Aid: Recognise Palestine as a state and encouraging a two state solution between Israeli and Palestinian representatives, modify the International aid sent e.g. Sending trained professionals over money for a positive impact

Environment: Ban plastic straws and bags, introduce eco-friendly buses in Hounslow

Transport: Full time undergraduate students travel free, more stops on the Piccadilly serving Chiswick, Heston and Cranford.

Crime and Policing: Categorise knife crime as a public health issue, promote interfaith tolerance to reduce hate crime and intolerance

Social Care and Welfare: Introduce a quota for housing developments, introduce effective sexual health education at a younger age, and end period poverty

Media, arts, science and society: More funding for arts education in schools, extend the local libraries to include university collections, increase access schemes to the UK creative industries.

Local Trust | Big Local

International Centralist Party

INTERNATIONAL CENTRIST PARTY

Preparing Britain for the future.

Brexit: second EU referendum and vote on Brexit deal regardless of referendum result, grant EU nationals the ability to stay, pursue a soft Brexit, and make deals with businesses to keep them in the UK e.g. Less tax

Healthcare: Increase budget to alleviate pressure on NHS, raise salaries for doctors and nurses and introduce grants to entice more people to join the service

Education: Raise funding for schools, abolish unfair grammar school system, and raise salaries for teachers and lower training costs

Environmental: Require all public institutions to recycle products by 2025, ban petrol cans and subsidise the electric car industry, oppose the third runway for Heathrow, use nuclear as a transition fuel and use thorium over uranium.

Knife crime and local issues: Raise police numbers to 5,000, designate affordable housing, and use a public health approach to knife crime.

Business and economy: Introduce a mansion tax, subsidise businesses that employ workers, companies with over 350 employees should have a board of directors, maintain the minimum wage and lower taxes/regulations for smaller businesses.

Local Trust | Big Local

The People Party

Education: Reduce education fees

Crime and policing: Reform the stop and search system to reduce racial profiling

Transport: Reduced transport fares, more parking spaces in public places, make student travel a reasonable cost

Community and welfare: Raise awareness of events

Social care and housing: More affordable housing

Environment: Recycling bins to be made compulsory in schools and houses, more regular bin collections

Local Trust | Big Local

Equitas (Latin for Equality)

Environment: More green spaces, reduce greenhouse gases, more conservation practices, more trash collections, fines/further consequences for environment offences, support electric vehicles.

International Aid: Accept refugees and support fundraising.

Employment and Welfare: better shelters and job opportunities for homeless people,

Education: Lack of funding for creative systems, realistic curriculum and greater information beforehand on future prospects.

Health care: Triage healthcare, less waiting times, more funding and support for NHS.

Crime and Policing: Work with local charities to tackle knife crimes, reduce gang tension, utilise police time more effectively.
